

Doctoral Program Prioritization Charrette

When:

Tuesday, February 20, 2018 – 10:00 am to noon and 1:30 pm to 3:30 pm

Where:

Strand Union Building – Ballroom C

Description:

MSU faculty, staff and students, please join us for an open dialogue about relevant and existing data that can be used to prioritize doctoral programs at MSU. This will be first of two charrettes, with the next charrette occurring on 2/28. The doctoral prioritization program committee will be in attendance to facilitate dialogue and answer questions.

Schedule:

AM		
Session 1	10:00 – 10:30 am	Discuss the data types that the doctoral prioritization program committee have generated
	10:30 – 11:00 am	Brain storm data types independent of the list previously discussed
Session 2	11:00 – 11:30 am	Discuss the data types that the doctoral prioritization program committee have generated
	11:30 – noon	Brain storm data types independent of the list previously discussed
PM		
Session 3	1:30 – 2:00 pm	Discuss the data types that the doctoral prioritization program committee have generated
	2:00 – 2:30 pm	Brain storm data types independent of the list previously discussed
Session 4	2:30 – 3:00 pm	Discuss the data types that the doctoral prioritization program committee have generated
	3:00 – 3:30 pm	Brain storm data types independent of the list previously discussed
