# Instructions

- A 2nd Major must meet all departmental requirements for the major. Core completion for one major satisfies Core for all additional majors. Completion of an additional major is indicated on transcripts; diplomas list only the primary major.
- A 2nd Degree requires 30 additional, unique credits, and nine additional, unique, upper-division credits. Core completion for a first degree satisfies Core for all additional degrees. Additional degrees are indicated on transcripts, and each degree is awarded an individual diploma.
- Curriculum or catalog changes made after the 15th semester day will become effective the next semester. If your changes should not be processed now, and today's date is not after the 15th semester day, please write for which semester they are to be made effective in the appropriate field.
