

Chute Boss Club Objectives

The Chute Boss Club was established for the sole purpose of enhancing the Montana State University Rodeo Program through the use of funds contributed annually to the Chute Boss Club by its members. All donations are deposited in the Chute Boss Club/CRSA 501c3 account, and are tax deductible. These funds are kept separate and specifically directed into the rodeo program, as is mutually agreed upon by the Coaches and the Chute Boss Club Board of Directors. In the past these funds have been used for livestock expenses, rodeo travel expenses, scholarships for rodeo athletes, and recruiting top caliber contestants.

Each member of the Chute Boss Club will be entitled to special events, exclusive contact and communication with the Head Coach of the MSU Rodeo Team, and other aspects of the MSU Rodeo Program

Two ways to become a new member
