Work on Developing Sustainable Habits

● Print double-sided -- or use electronic copies
● Turn off lights when you’re not in the room
● Open and close blinds to control temperature
● Limit water use
  ○ Take shorter showers, turn off sink faucet
● Run laundry with cold water
● Use fewer (or no) paper towels to dry hands
● Walk or bike over driving whenever possible
● Reduce the waste you generate
● Reuse what you can
● Recycle -- but only what is recyclable
