## Work on Developing Sustainable Habits

- Print double-sided -- or use electronic copies
- Turn off lights when you're not in the room
- Open and close blinds to control temperature
- Limit water use
  - Take shorter showers, turn off sink faucet
- Run laundry with cold water
- Use fewer (or no) paper towels to dry hands
- Walk or bike over driving whenever possible
- Reduce the waste you generate
- Reuse what you can
- Recycle -- but only what is recyclable
