Where do I find my student bill?

MSU uses a paperless billing system. To view your Web bill, log in to the secure area of **MyInfo** (www.montana.edu/myinfo) and select **Electronic Billing and Payment**.

I've been told to "confirm" my bill; what does this mean and how do I do it?

Confirming your bill lets the university know you have reviewed your bill for accuracy and that you are attending the semester billed. After reviewing your bill:

- If you have a balance due, you must pay your bill by the published deadline in order to confirm.
- If you have a zero balance or a credit due to you, you must click on the **Confirm** button at the bottom of your Web bill by the published deadline.

A \$40 Late Fee will be assessed to all students who have not paid/confirmed their bill by the deadline.
