Where do I find my student bill?

MSU uses a paperless billing system. To view your Web bill, log in to your MyInfo account (www.montana.edu/myinfo) and select Electronic Billing & Payment.

I’ve been told to “confirm” my bill; what does this mean and how do I do it?

Confirming your bill lets the university know you have reviewed your bill for accuracy and that you are attending the semester billed. After reviewing your bill:

- If you have a balance due, you must pay your entire bill or sign up for a tuition payment plan and make the first payment by the published deadline in order to be confirmed.
- If you have a zero balance or a credit is due to you, you must click on the Confirm button at the bottom of your Web bill by the published deadline.

A $40 Late Fee may be assessed to all students who have not paid/confirmed their bill by the deadline.

Do you offer tuition payment plans?

Yes. If you are unable to pay your full account balance by the due date, you can complete a tuition payment plan application online in QuikPay. There is an application fee, but no interest is charged.

I’m expecting a financial aid refund. Do you offer direct deposit?

Yes! To enroll, log in to MyInfo, select Electronic Billing & Payment and click on QuikPay. In QuikPay select Manage Refunds, and then edit your refund method.
