

Activate your FREE Adobe CC License

--- Step-by-Step Guide | Adobe Student Ambassadors

01

Installing the Creative Cloud Desktop App

1. Go to **Adobe.com**.
2. Click **Sign In** in the upper right-hand corner of the screen.
3. In the email address field, enter **@student.montana.edu** then hit **Sign In**. There is no need to enter a password at this step.

4. You will be redirected to the **Montana University System** login page.

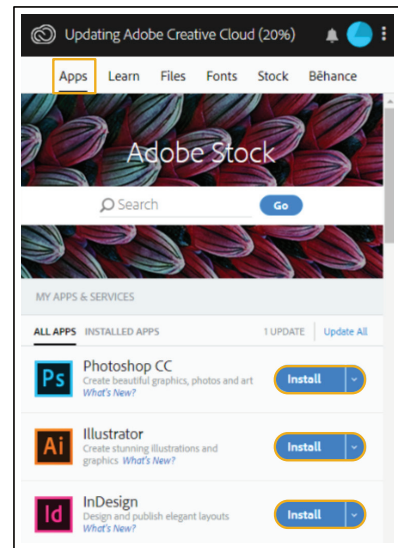

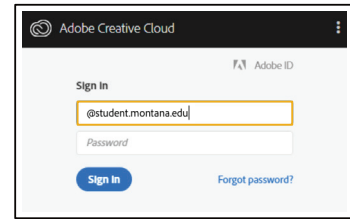

Note: If you are prompted with this screen, select Enterprise ID. This may occur if you already have an Adobe CC account connected to your MSU email address.

5. Enter your **NetID** and **NetID** password.
6. Then, click **Login**.
7. Under Creative Cloud, click **Download**.
8. **Follow the onscreen instructions** when prompted.
9. To install Adobe CC apps, **continue to page 2**.

02

Installing Adobe CC Apps

1. Open the **Creative Cloud Desktop App**.
2. **Sign in** by following the same steps you did for **Adobe.com**. (See steps 3-6 on page 1.)
3. Once signed in, click the **Apps tab**.
4. Scroll through the listed apps and **choose** one or more to install.
5. Click **Install** on one app at a time.
6. Then, **follow the onscreen instructions** when prompted.
7. You can return to the Creative Cloud Desktop App to **open, update, or install** additional apps at any time.
8. We also **recommend** checking out:
 - the **Learn tab** to access helpful Adobe CC tutorials!
 - the **Fonts tab** to browse hundreds of fonts you can activate!
 - the **Bēhance tab** to get inspired by the work of others!
